RECITALS

WHEREAS, DISTRICT is a California public entity duly organized and existing under Appendix 2 of the California Harbors and Navigation Code for the purposes stated in Section 4 thereto.

WHEREAS, DISTRICT owns the fee simple interest to the Premises (as defined below). WHEREAS, DISTRICT leases the Premises to the Humboldt Bay Development Association, Inc. ("HBDA" or "Association"), a California non-profit public benefit corporation, pursuant to that certain Ground Lease effective March 9, 2016, for a term of 65 years commencing March 9, 2016 (the "Ground Lease"), a copy of which is incorporated herein by

this reference.

WHEREAS, reference is made to that certain Credit Agreement dated as of March 9, 2016, by and among New Markets Community Capital XVII, LLC, a Delaware limited liability company ("NMCC"), as lender, CNMC SUB-CDE 69, LLC, a Delaware limited liability company ("CNMC"), as lender, and HBDA, as borrower, dated March 9, 2016, under which HBDA entered into that certain Leasehold Deed of Trust, Security Agreement, Assignment of

Rents and Fixture Filing dated March 9, 2016 in favor of NMCC and CNMC (collectively referred to herein as the "Leasehold Mortgage").

WHEREAS, HBDA, as landlord, leases back the Premises to DISTRICT, as tenant, pursuant to that certain Operating Lease, effective March 9, 2016, for a term of 30 years commencing on March 9, 2016 (subject to three (3), ten (10) year extension periods as set forth therein) (the "Operating Lease"), a copy of which is incorporated herein by this reference.

WHEREAS, on the terms and conditions stated herein, TENANT desires to sublease from DISTRICT the Premises as more particularly described herein.

NOW THEREFORE, for adequate consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

DISTRICT subleases to TENANT and TENANT subleases from DISTRICT, the real property and improvements described as: Shops and Store Suites # C170 and C175 of approximately 1,500 square feet.

The location and further description of the property and improvements, as well as any common areas and/or other specific areas, of the DISTRICT's property and improvements are described in **Exhibit A** (the "Premises") on the terms and conditions stated below:

Section 1. Occupancy

- 1.1 Original Term. The term of this lease shall be from October 1, 2023, and continuing Month to Month, unless sooner termination in accordance with this lease.
- 1.2 Renewal Option. If the lease is not in default at the time the option is exercised or at the time the renewal term is to commence, TENANT shall have the option, subject to satisfaction of subsection (4), below, to renew this lease once for 2 additional years, unless sooner terminated in accordance with this lease, as follows:
 - (1) The renewal term shall commence on the day following expiration of the initial term.
 - (2) The option may be exercised by written notice to DISTRICT given not less than 90 days prior to the last day of the original term. The giving of such notice shall be sufficient to make the lease binding for the renewal term without further act of the parties. DISTRICT and TENANT shall then take the steps required for the

- determination of rent as specified below.
- (3) The terms and conditions of the lease for the renewal term shall be identical with the original term except for rent and except that TENANT will no longer have any option to renew this lease for an additional term following the expiration of the renewal term. Rent for the renewal term shall be the rental during the preceding original term increased as set forth in Section 2, below.
- (4) The lease renewal term are contingent upon DISTRICT and/or TENANT possessing the appropriate valid regulatory approvals per Section 3.3 below.

Section 2. Rent

- 2.1 Base Rent. During the first year of the original term, TENANT shall pay \$750.00 per month to the DISTRICT, due on or before the first business day of each month.
- 2.2 Security & Key Deposit. \$750.00 Security and Key Deposit Required before possession. The Security Deposit shall be held by DISTRICT, without interest, as security for the performance of TENANT's covenants and obligations under this Lease, it being expressly understood and agreed that the deposit is not an advance rental deposit or a measure of the DISTRICT's damages in case of TENANT's default. Upon the occurrence of any event of default by TENANT, DISTRICT may, from time to time and without prejudice to any other remedy provided by this Lease or by law, use that fund to the extent necessary to make good any arrears of rent or other payments or liability caused by the event of default. TENANT shall pay to DISTRICT on demand the amount that was applied in order to restore the security deposit to the amount then required under this Lease. Although the security deposit shall be deemed the property of DISTRICT, any remaining balance of the deposit shall promptly be returned by DISTRICT to TENANT at the time after termination of this Lease that all of TENANT's obligations under this Lease have been fulfilled.
- **2.3** Additional Rent. In addition to the Base Rent, a charge, initially estimated to be \$100.00 per month, shall be paid by TENANT for electricity, water, sewage, and no other services. All such charges shall be deemed "Additional Rent" under this Lease. The actual Additional Rent charges shall be recalculated not more than annually by DISTRICT based on the actual costs based on the proceeding 12-month period. The DISTRICT shall provide TENANT a minimum of 60 days advance notice before any recalculation of Additional Rent charges are added to the Base Rent.

- 2.4 Late Charges. TENANT acknowledges that late payment of any rent or other payment required by this lease from TENANT to DISTRICT will result in costs to DISTRICT, the extent of which is extremely difficult and economically impractical to ascertain. TENANT therefore agrees that if TENANT fails to make any rent or other payment required by this lease to be paid to DISTRICT within ten days of the date it is due, DISTRICT shall impose a late charge of five percent (5%) of the overdue payment, to reimburse DISTRICT for the cost of collecting the overdue payment. DISTRICT may levy and collect a late charge in addition to all other remedies available for TENANT's default, and collection of a late charge shall not be in lieu of nor shall it waive the breach caused by the late payment.
- 2.5 Escalation. For each year after the first year of the lease (including any renewal term), the base rent provided in Section 2.1 shall be increased by a percentage equal to the percentage change in the Consumer Price Index published by the United States Bureau of Labor Statistics of the United States Department of Labor for the most recent twelve months available thirty (30) days prior to the anniversary date, or by two percent (2%), whichever is higher. Comparisons shall be made using the index entitled U.S. City Average—All Items and Major Group Figures for All Urban Consumers (1982-84=100), or the nearest comparable data on changes in the cost of living if such index is no longer published. The change shall be determined by comparison of the figure for the preceding year with that of each succeeding year.

Section 3. Use of the Premises

- 3.1 Permitted Use. The Premises shall be used for the uses described in the Operations Plan which has been reviewed and approved by the District and Humboldt County Planning Department and is included in **Exhibit B** and in a manner consistent with (i) all ordinances of the DISTRICT; (ii) all local, state and federal laws and regulations (collectively, the "Permitted Uses"); (iii) and all recorded covenants and restrictions, including but not limited to the Leasehold Mortgage; (iv) the Ground Lease and the Operating Lease. Tenant is not authorized to use the Premises for any other purpose without the consent of DISTRICT, which consent shall not be withheld unreasonably. In addition to other reasons, the DISTRICT's refusal to allow a use that is not legal under State or Federal law shall be considered reasonable.
 - **3.2** Restrictions on Use. In connection with the use of the Premises, TENANT shall:
 - (1) Conform to all applicable laws and regulations of any public authority affecting the occupancy of the Premises and the use of the Premises, and correct at TENANT's own expense any failure of compliance created through TENANT's

- fault or by reason of TENANT's use, but TENANT shall not be required to make any structural changes to effect such compliance unless such changes are required because of TENANT's specific use.
- (2) Refrain from any activity that would make it impossible to insure the Premises against casualty, would increase the insurance rate, or would prevent DISTRICT from taking advantage of any ruling of the California Insurance Rating Bureau, or its successor, allowing DISTRICT to obtain reduced premium rates for long-term fire insurance policies, unless TENANT pays the additional cost of the insurance.
- (3) Refrain from any use that would be unreasonably offensive to other TENANTs or owners or users of neighboring premises or that would tend to create a nuisance or damage the reputation of the Premises.
- (4) Refrain from loading the electrical system or floors beyond the point considered safe by a competent engineer or architect selected by DISTRICT.
- (5) Refrain from making any marks on or attaching any sign, insignia, antenna, aerial, or other device to the exterior or interior walls, windows, or roof of the premises without the written consent of DISTRICT. TENANT is authorized to install signs in the location and sizes specified in **Exhibit C.**
- TENANT shall not cause or permit any Hazardous Substance to be spilled, (6)leaked, disposed of, or otherwise released on or under the Premises. Except to the extent contrary to the Leasehold Mortgage, Ground Lease, or Operating Lease, TENANT may use or otherwise handle on the Premises only those Hazardous Substances typically used or sold in the prudent and safe operation of the business specified in Section 3.1. TENANT may store such Hazardous Substances on the Premises only in quantities necessary to satisfy TENANT's reasonably anticipated needs. TENANT shall comply with all Environmental Laws and exercise the highest degree of care in the use, handling, and storage of Hazardous Substances and shall take all practicable measures to minimize the quantity and toxicity of Hazardous Substances used, handled, or stored on the Premises. Upon the expiration or termination of this lease, TENANT shall remove all Hazardous Substances from the Premises that were brought onto the Premises by or at the request of TENANT. The term Environmental Law shall mean any federal, state, or local statute, regulation, or ordinance or any judicial or other governmental order pertaining to the protection of health, safety or the environment. The term

- Hazardous Substance shall mean any hazardous, toxic, infectious or radioactive substance, waste, and material as defined or listed by any Environmental Law and shall include, without limitation, petroleum oil and its fractions.
- TENANT may, at its sole cost and expense, use, develop, alter and operate the Premises for Permitted Uses outlined in Section 3.1 and related, associated and ancillary uses and improvements, and subject to the prior written consent of DISTRICT which consent shall not be unreasonably withheld, conditioned or delayed, and the terms and conditions of the (i) New Markets Tax Credit Rider and (ii) Commercial Lease Rider Job Creation Reporting Requirement, as such riders are attached hereto as **Exhibits D and E** and incorporated herein by this reference.
- (8) All terms and conditions of the Operating Lease are incorporated into and made a part of this Sublease as if DISTRICT were the master-landlord, TENANT the master-tenant, and the Premises the Property (as defined in the Operating Lease), except to the extent that any such terms and conditions are inapplicable to the terms of this Sublease.

right beyond the permit expiration date or any extension thereof.

(1) TENANT's use of the property must be compatible with, and not interfere with, the operation of existing onsite and offsite coastal-dependent industrial or other priority uses. TENANT'S use of the premises, including any common areas, shall not block access to dock facilities and loading areas. In the event of conflicts in

- the use of common areas, Coastal Dependent Industrial users shall have priority for the use of common areas. TENANT shall not object to any Coastal Dependent Industrial use or other priority use that is operating in conformance with all applicable laws and regulations, including the Humboldt County Code of Regulations.
- TENANT shall not make permanent improvements to the premises without the prior written approval of the DISTRICT. Improvements shall be made in accordance with all land use, building, and public health and safety regulations. Pursuant to Section 13.1, DISTRICT may require TENANT to restore the Premises to its pre-lease condition.
- (3) As required by the County ordinance, "if a coastal dependent industrial use or any other priority use is identified by the DISTRICT for the space occupied by an interim use as defined in 3.3, above, on terms acceptable to the property owner," the DISTRICT may terminate this lease with six months' prior notice. However, if the DISTRICT exercises such an option, it will assist TENANT with reasonable relocation expenses.

Section 4. Common Areas

- 4.1 TENANT's Use. TENANT, its customers, agents and invitees shall have the non-exclusive right to use areas designated by DISTRICT as common areas in Exhibit A. "Common areas" means any parking areas, roadways, sidewalks, landscaped areas, security areas and any other areas owned by DISTRICT where such areas have been designated or may be designated in the future by DISTRICT as areas to be used by the general public or in common by TENANTs. TENANT shall have the right in common with other tenants of the Building to use TENANT's pro rata share of parking spaces associated with the Building.
- **4.2 DISTRICT's Rights.** With respect to the common areas, the DISTRICT reserves the following rights (provided that the same do not unreasonably interfere with TENANT's use of the Premises);
 - (1) To establish reasonable rules and regulations for the use of the common areas;
 - (2) To close all or any portion of the common areas to make repairs or changes;
 - (3) To construct, alter, or remove buildings or other improvements in the common areas and to change the layout of such common areas, including the right to add to or subtract from their shape and size or to eliminate such common areas;

- (4) To exercise any of DISTRICT's governmental powers over the common areas;
- (5) To grant the right to use the common areas and to perm it third parties to use the common areas.

Section 5. Insurance

- DISTRICT's expense against fire and other property damage and loss risks generally covered by a standard fire insurance policy with an endorsement for extended coverage or by similar coverage through a joint powers association of governmental entities. TENANT shall bear the expense of any insurance insuring the personal property, equipment and fixtures of TENANT on the Premises against such risks but shall not be required to insure. DISTRICT shall not be liable to TENANT for any loss or damage to TENANT's personal property, equipment or fixtures, except to the extent due to DISTRICT's gross negligence or willful misconduct.
- **5.2 TENANT's Responsibility.** All insurance carriers shall be admitted in the state of California and have an A.M. Best's rating of A- or better and minimum financial size VII. Coverage shall be at least as broad as the following minimum limits:
 - General Liability: Insurance Services Office (ISO) "Commercial General Liability" policy form CG 00 01 or the exact equivalent on an "occurrence" basis, including products and completed operations, property damage, bodily injury and personal and advertising injury with limits no less than \$2,000,000 per occurrence for all covered losses. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit. Additional insured coverage for the District shall not be limited to its vicarious liability. Defense costs must be paid in addition to limits.
 - (2) Business Automobile Insurance: ISO Auto Coverage Form CA 00 01 including symbol 1 (Any Auto) or the exact equivalent. Limits are subject to review, but in no event to be less than \$2,000,000 per accident for bodily injury and property damage. If TENANT or TENANT's employees will use personal autos for business purposes, TENANT shall provide evidence of personal auto liability coverage for each such person.
 - (3) Workers Compensation Insurance: covering all employees and volunteers as required by the State of California on a state-approved policy form, and

- Employer's Liability insurance with a limit of no less than \$1,000,000 per accident for bodily injury or disease.
- (4) Excess or Umbrella Liability Insurance (Over Primary): if used to meet limit requirements, shall provide coverage at least as broad as specified for the underlying coverages. Such policy or policies shall include a drop down provision providing coverage above a maximum \$25,000 self-insured retention for liability not covered by primary but covered by the umbrella. Coverage shall be provided on a "pay on behalf of" basis, with defense costs payable in addition to policy limits. The policy shall contain a provision obligating insurer at the time insured's liability is determined, not requiring actual payment by the insured first. There shall be no cross liability exclusion precluding coverage for claims or suits by one insured against another. Coverage shall be applicable to DISTRICT for injury to employees of TENANT. The scope of coverage provided is subject to approval of DISTRICT following receipt of proof of insurance as required herein.

5.3 General Conditions Pertaining to Insurance.

- (1) TENANT shall have its insurer endorse the third-party general liability coverage to include as additional insureds the District, HBDA, and their respective officials, employees, volunteers and agents, using standard ISO endorsement CG 20 10. The additional insured coverage under TENANT's policy shall be provided on a primary, non-contributing basis in relation to any other insurance or self-insurance available to the DISTRICT. TENANT's policy shall not seek contribution from the DISTRICT's insurance or self-insurance and shall be at least as broad as ISO form CG 20 01 04 13.
- (2) It is a requirement under this Lease that any available insurance proceeds broader than or in excess of the specified minimum insurance coverage and/or limits required in this Section 5 shall be available to the DISTRICT as an additional insured. Furthermore, the requirements for coverage and limits shall be (a) the minimum coverage and limits specified in this Lease, or (b) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the named insured, whichever is greater.
- (3) All self-insured retentions (SIR) must be disclosed to the DISTRICT for approval and shall not reduce the limits of liability. Policies containing any SIR shall provide or be endorsed to provide that the SIR may be satisfied by either the

- named insured or the DISTRICT.
- (4) The DISTRICT reserves the right to obtain a full certified copy of any insurance policy and any endorsement. Failure to exercise this right shall not constitute a waiver of the DISTRICT's right.
- (5) Certificates shall contain a statement that the policy will not be cancelled except after thirty (30) days prior written notice to the DISTRICT.
- (6) TENANT agrees to waive subrogation rights against the DISTRICT regardless of the applicability of any insurance proceeds.
- (7) Proof of compliance with these insurance requirements, consisting of certificates of insurance evidencing all required coverages and an additional insured endorsement to TENANT's general liability policy, shall be delivered to the DISTRICT at or prior to the execution of the Lease.
- (8) All coverage types and limits required are subject to approval, modification and additional requirements by the DISTRICT, as the need arises. TENANT shall not make any reductions in scope of coverage (e.g. elimination of contractual liability or reduction of discovery period) that may affect the DISTRICT's protection without the DISTRICT's prior written consent.

Section 6. Taxes; Utilities

- 6.1 Property Taxes and Assessments. TENANT shall pay as due all taxes on its personal property located on the Premises or otherwise. TENANT shall pay as due any real property taxes, including possessory use taxes, and special assessments levied against the Premises as additional rent following receipt of notice of such amount from DISTRICT. As a public entity, DISTRICT does not pay property taxes, but TENANT will be assessed directly by the County a possessory use tax on the leasehold premises pursuant to California Revenue and Taxation Code sections 107 et. seq. TENANT is hereby given notice of the possessory use tax as required by Revenue and Taxation Code section 107.6.
- 6.2 Utilities. TENANT agrees to pay or cause to be paid all charges for utilities or services provided to the Premises and any improvements thereon throughout the Term.

Section 7. Damage and Destruction

7.1 Partial Damage. If the Premises are partly damaged other than through the fault of the TENANT and Section 7.2 does not apply, the Premises shall be repaired by DISTRICT at

DISTRICT's expense. Repairs shall be accomplished within a reasonable time.

- 7.2 **Destruction.** If the Premises are destroyed or damaged such that the cost of repair exceeds 50% of the value of the structure before the damage, either party may elect to terminate the lease as of the date of the damage or destruction by notice given to the other in writing not more than 45 days following the date of damage. In such event all rights and obligations of the parties shall cease as of the date of termination, and TENANT shall be entitled to the reimbursement of any prepaid amounts paid by TENANT and attributable to the anticipated term, unless the damage or destruction was caused by any negligent or intentional act of omission by TENANT or any of TENANT'S officers, directors, employees, agents, volunteers, or invitees. If neither party elects to terminate, DISTRICT shall proceed to restore the Premises to substantially the same form as prior to the damage or destruction. Work shall be commenced and completed within a reasonable time.
- 7.3 Rent Abatement. Rent shall be abated during the repair of any damage to the extent the premises are untenantable, except that there shall be no rent abatement where the damage occurred as the result of the fault of TENANT.
- 7.4 Damage Late in Term. If damage or destruction to which Section 7.2 would apply occurs within one year before the end of the then-current lease term, TENANT may elect to terminate the lease by written notice to DISTRICT given within 30 days after the date of the damage. Such termination shall have the same effect as termination by DISTRICT.
- 7.5 Security. DISTRICT is not responsible or liable for security of the premises or for any loss, destruction, damage or theft of TENANT's property or fixtures located on the leased premises, including any loss sustained by TENANT in the common areas. TENANT hereby irrevocably releases DISTRICT, including its officers, officials, employees, agents, and volunteers from any such liability.

Section 8. Liability and Indemnity

8.1 Liens.

(1) Except with respect to activities for which DISTRICT is responsible because it contracted for such work directly, TENANT shall pay as due all claims for work done on and for services rendered or material furnished to the Premises, and shall keep the Premises free from any liens, stop notices, or other claims that the DISTRICT may be liable for. If TENANT fails to pay any such claims or to

discharge any lien, DISTRICT may do so and collect the cost as additional rent. Any amount so added shall bear interest at the rate of 9% per annum from the date expended by DISTRICT and shall be payable on demand. Such action by DISTRICT shall not constitute a waiver of any right or remedy which DISTRICT may have on account of TENANT's default. The DISTRICT, in its sole discretion, may require TENANT to post, for the benefit of the DISTRICT, a Labor and Materials Payment Bond covering 100% of the construction costs.

- (2) TENANT may withhold payment of any third party claim in connection with a good-faith dispute over the obligation to pay the third party, as long as DISTRICT's property interests or that of the HBDA are not jeopardized. If a lien is filed as a result of nonpayment, TENANT shall, within 10 days after knowledge of the filing, secure the discharge of the lien or deposit with DISTRICT cash or sufficient corporate surety bond or other surety satisfactory to DISTRICT in an amount sufficient to discharge the lien plus any costs, attorney fees, and other charges that could accrue as a result of a foreclosure or sale under the lien.
- (3) The District and/or the HBDA may file and record a notice of non-responsibility with Humboldt County Recorder's Office.
- HBDA, including their respective officers, directors, employees, agents, and volunteers, from any claim, loss, demand, action, attorney's fees, costs of litigation, or other liability arising out of or related to any activity of TENANT or its customers, invitees, employees, agents, volunteers, contractors, subcontractors, or consultants on the Premises (inclusive of common areas) or any condition of the Premises in the possession or under the control of TENANT, other than that caused by the sole negligence of DISTRICT. DISTRICT shall have no liability to TENANT for any injury, loss, or damage caused by third parties, or by any condition of the Premises.

 TENANT shall inspect the premises upon taking possession, and shall notify DISTRICT in writing within ten (10) business days of any condition of the premises TENANT believes constitutes a non-operational item, non-compliance with laws or a hazard or dangerous condition of the property. Failure to provide such a notice shall constitute an agreement by the TENANT that there is no non-operational item, non-compliance with laws or hazard or dangerous condition for which the DISTRICT is responsible. Any matter that reasonably constitutes a

hazard or dangerous condition of the property identified within such ten (10) business day period shall be corrected by DISTRICT at DISTRICT's sole cost within thirty (30) days. DISTRICT shall indemnify and defend TENANT from any claim, loss, or liability arising out of or related to the sole negligence of DISTRICT or its employees, or contractors.

Section 9. Quiet Enjoyment; As Is; Repairs and Maintenance

- 9.1 **DISTRICT's Warranty.** DISTRICT warrants that it is the leasehold owner of the Premises and has the right to sublease the Premises to TENANT. TENANT takes the Premises "AS IS", with all faults, except as to those conditions of which it gives notice to the DISTRICT pursuant to Section 8.2.
- 9.2 Estoppel Certificate. Either party will, within 20 days after notice from the other, execute and deliver to the other party a certificate stating whether or not this lease has been modified and is in full force and effect and specifying any modifications or alleged breaches by the other party. The certificate shall also state the amount of monthly base rent, the dates to which rent has been paid in advance, and the amount of any security deposit or prepaid rent. Failure to deliver the certificate within the specified time shall be conclusive upon the party from whom the certificate was requested that the lease is in full force and effect and has not been modified except as represented in the notice requesting the certificate.
- 9.3 Repairs and Maintenance. TENANT shall be responsible for maintenance of all interior surfaces of the Premises except for electrical, plumbing and mechanical systems serving the Premises and structural components and the roof of the Premises which, along with maintenance of the common areas, are the responsibility of DISTRICT at its sole cost, subject to reimbursement by TENANT for damage caused by TENANT or parties claiming through TENANT. If any failure to provide utilities the restoration of which is within DISTRICT's control continues for more than forty-eight (48) hours or materially interferes with TENANT's conduct of business in or use and operation of the Premises, TENANT shall be entitled to an equitable abatement of rent for such period of time as the interruption is in effect.

Section 10. Assignment and Subletting

10.1 Assignment and Subletting. No part of the Premises may be assigned, mortgaged, or subleased, nor may a right of use of any portion of the property be conferred on any third person by any other means, without the prior written consent of DISTRICT. This provision shall

apply to all transfers by operation of law. No consent in one instance shall prevent the provision from applying to a subsequent instance. DISTRICT may withhold or condition such consent in its sole and absolute discretion. Notwithstanding any provision in this Lease to the contrary, TENANT shall have the right to assign this Lease or sublet all or a portion of the Premises without DISTRICT's consent to any corporation or business entity which controls, is controlled by or is under common control with TENANT, or to a corporation or other business entity resulting from a merger or consolidation with TENANT, or to any person or entity which acquires substantially all of the assets of TENANT's businesses as a going concern ("Affiliate"); provided that in the case of an assignment, the assignee assumes in full the obligations of the TENANT under this Lease and that the use of the Premises remains unchanged.

Section 11. Default

The following shall be events of default:

- 11.1 **Default in Rent.** Failure of TENANT to pay any rent or other charge within 10 days after written notice that it is due.
- 11.2 Default in Other Covenants. Failure of TENANT to comply with any term or condition or fulfill any obligation of the lease (other than the payment of rent or other charges) within 20 days after written notice by DISTRICT specifying the nature of the default with reasonable particularity. If the default is of such a nature that it cannot be completely remedied within the 20-day period, this provision shall be complied with if TENANT begins correction of the default within the 20-day period and thereafter proceeds with reasonable diligence and in good faith to effect the remedy as soon as practicable.
- 11.3 Insolvency. Insolvency of TENANT; an assignment by TENANT for the benefit of creditors; the filing by TENANT of a voluntary petition in bankruptcy; an adjudication that TENANT is bankrupt or the appointment of a receiver of the properties of TENANT; the filing of any involuntary petition of bankruptcy and failure of TENANT to secure a dismissal of the petition within 30 days after filing; attachment of or the levying of execution on the leasehold interest and failure of TENANT to secure discharge of the attachment or release of the levy of execution within 10 days shall constitute a default. If TENANT consists of two or more individuals or business entities, the events of default specified in this Section shall apply to each individual unless within 10 days after an event of default occurs, the remaining individuals produce evidence satisfactory to DISTRICT that they have unconditionally acquired the interest of the one causing the default. If the lease has been assigned, the events of default so specified

shall apply only with respect to the one then exercising the rights of TENANT under the lease.

Section 12. Remedies on Default

- 12.1 Termination. In the event of a default the lease may be terminated at the option of DISTRICT by written notice to TENANT. Whether or not the lease is terminated by the election of DISTRICT or otherwise, DISTRICT shall be entitled to recover actual damages from TENANT for the default, and DISTRICT may reenter, take possession of the premises, and remove any persons or property by legal action or by self-help with the use of reasonable force and without liability for damages and without having accepted a surrender.
- 12.2 Reletting. Following reentry or abandonment, DISTRICT may relet the Premises and in that connection may make any suitable alterations or refurbish the Premises, or both, or change the character or use of the Premises, but DISTRICT shall not be required to relet for any use or purpose other than that specified in the lease or which DISTRICT may reasonably consider injurious to the Premises, or to any TENANT that DISTRICT may reasonably consider objectionable. DISTRICT may relet all or part of the Premises, alone or in conjunction with other properties, for a term longer or shorter than the term of this lease, upon any reasonable terms and conditions, including the granting of some rent-free occupancy or other rent concession.
- **12.3 Damages.** In the event of termination or retaking of possession following default, DISTRICT shall be entitled to recover immediately, without waiting until the due date of any future rent or until the date fixed for expiration of the lease term, the following amounts as damages:
 - (1) The loss of rental from the date of default until a new TENANT is, or with the exercise of reasonable efforts could have been, secured and paying out.
 - (2) The reasonable costs of reentry and reletting including without limitation the cost of any cleanup, reasonable refurbishing, removal of TENANT's property and fixtures, or any other expense occasioned by TENANT's default including but not limited to, any remodeling or repair costs, attorney fees, court costs, broker commissions, and advertising costs.
 - (3) Any excess of the value of the rent and all of TENANT's other obligations under this lease over the reasonable expected return from the Premises for the period commencing on the earlier of the date of trial or the date the premises are relet, and continuing through the end of the term. The present value of future amounts

- will be computed using a discount rate equal to the prime loan rate of major California banks in effect on the date of trial.
- 12.4 Right to Sue More than Once. DISTRICT may sue periodically to recover damages during the period corresponding to the remainder of the lease term, and no action for damages shall bar a later action for damages subsequently accruing.
- obligation under this lease, DISTRICT shall have the option to do so after 30 days' written notice to TENANT. All of DISTRICT's expenditures to correct the default shall be reimbursed by TENANT on demand with interest at the rate of 9% per annum from the date of expenditure by DISTRICT. Such action by DISTRICT shall not waive any other remedies available to DISTRICT because of the default.
- **12.6 Remedies Cumulative.** The foregoing remedies shall be in addition to and shall not exclude any other remedy available to DISTRICT under applicable law.

Section 13. Surrender at Expiration

on account of default, TENANT shall deliver all keys to DISTRICT and surrender the Premises in the same condition and repair as that received by TENANT and broom clean. DISTRICT shall have the option, in its sole discretion, to permit alterations constructed by TENANT to remain at no cost to the DISTRICT, or be removed or restored to the original condition at the expense of TENANT. Repairs and restoration for depreciation and wear from ordinary use for the purpose for which TENANT is responsible shall be completed to the latest practical date prior to such surrender. TENANT's obligations under this section shall be subordinate to the provisions of Section 9 relating to destruction.

13.2 Fixtures.

- (1) All fixtures placed upon the Premises during the term, other than TENANT's trade fixtures, shall, at DISTRICT's option, become the property of DISTRICT at no cost to the DISTRICT. If DISTRICT so elects, TENANT shall remove any or all fixtures that would otherwise remain the property of DISTRICT, and shall repair any physical damage resulting from the removal. If TENANT fails to remove such fixtures, DISTRICT may do so and charge the cost to TENANT with interest at the legal rate from the date of expenditure.
- (2) Prior to expiration or other termination of the lease term TENANT shall remove

all furnishings, furniture, and trade fixtures that remain its property. If TENANT fails to do so, this shall be an abandonment of the property, and DISTRICT may retain the property and all rights of TENANT with respect to it shall cease or, by notice in writing given to TENANT within 20 days after removal was required, DISTRICT may elect to hold TENANT to its obligation of removal. If DISTRICT elects to require TENANT to remove, DISTRICT may effect a removal and place the property in public storage for TENANT's account. TENANT shall be liable to DISTRICT for the cost of removal, transportation to storage, and storage, with interest at the legal rate on all such expenses from the date of expenditure by DISTRICT.

13.3 Holdover.

- (1) If TENANT does not vacate the Premises at the time required, DISTRICT shall have the option to treat TENANT as a TENANT from month to month, subject to all of the provisions of this lease except the provisions for term and renewal and at a rental rate equal to 125 percent of the rent last paid by TENANT during the original or renewal term immediately preceding the holdover, or to eject TENANT from the Premises and recover damages caused by wrongful holdover. Failure of TENANT to remove fixtures, furniture, furnishings, or trade fixtures that TENANT is required to remove under this lease shall constitute a failure to vacate to which this section shall apply if the property not removed will substantially interfere with occupancy of the Premises by another TENANT or with occupancy by DISTRICT for any purpose including preparation for a new TENANT.
- (2) If a month-to-month tenancy results from a holdover by TENANT under this Section, the tenancy shall be terminable at the end of any monthly rental period on written notice from DISTRICT given not less than 10 days prior to the termination date which shall be specified in the notice. TENANT waives any notice that would otherwise be provided by law with respect to a month-to-month tenancy.

Section 14. Miscellaneous

14.1 Nonwaiver. Waiver by either party of strict performance of any provision of this lease shall not be a waiver of or prejudice the party's right to require strict performance of the

same provision in the future or of any other provision.

- **14.2 Attorney Fees.** If suit or action is instituted in connection with any controversy arising out of this lease, the prevailing party shall be entitled to recover in addition to costs such sum as the court or arbitrator may adjudge reasonable as attorney fees at trial, on petition for review, and on appeal.
- 14.3 Notices. Any notice required or permitted under this lease shall be given when actually delivered by hand or express delivery service or 48 hours after deposited in United States mail as certified mail addressed to the address first given in this lease or to such other address as may be specified from time to time by either of the parties in writing.
- **14.4 Succession.** Subject to the above-stated limitations on transfer of TENANT's interest, this lease shall be binding on and inure to the benefit of the parties and their respective successors and assigns.
- **14.5 Recordation.** This lease shall not be recorded without the written consent of DISTRICT. DISTRICT shall execute and acknowledge a memorandum of this lease in a form suitable for recording, and TENANT may record the memorandum.
- 14.6 Entry for Inspection. DISTRICT shall have the right to enter upon the Premises at any time during regular business hours to determine TENANT's compliance with this lease, to make necessary repairs to the building or to the Premises, or to show the Premises to any prospective TENANT or purchaser, and in addition shall have the right, at any time during the last two months of the term of this lease, to place and maintain upon the Premises notices for leasing or selling of the Premises. Any entry by DISTRICT shall be subject to escort by an employee of TENANT except in the case of an emergency.
- 14.5 Interest on Rent and Other Charges. Any rent or other payment required of TENANT by this lease shall, if not paid within 10 days after it is due, bear interest at the rate of 9% per annum (but not in any event at a rate greater than the maximum rate of interest permitted by law) from the due date until paid.
- 14.8 Proration of Rent. In the event of commencement or termination of this lease at a time other than the beginning or end of one of the specified rental periods, then the rent shall be prorated as of the date of commencement or termination and in the event of termination for reasons other than default, all prepaid rent shall be refunded to TENANT or paid on its account.
- **14.9 Time of Essence.** Time is of the essence of the performance of each of TENANT's obligations under this lease.
 - **14.10 Complete Agreement.** This Agreement constitutes the complete and entire

agreement of the parties. No modification of the Agreement at the time of execution of this lease is effective unless in writing and signed by the parties and attached as **Exhibit F**. Any future modifications to this lease must also be in writing and signed by the parties to be effective. No oral modifications shall be effective to alter the parties' respective rights and duties under the lease.

- **14.11. Incorporation of Exhibits.** All exhibits to this lease are incorporated into this lease by reference as if stated in full herein.
- 14.12 Governing Law. This lease shall be construed in accordance with and shall be governed by the laws of the State of California, without regard to any conflicts of laws principles.
- 14.13 Accessibility. In accordance with California Civil Code Section 1938, DISTRICT hereby informs TENANT that as of the commencement of this lease, the Premises has not been inspected by a Certified Access Specialist (as defined in California Civil Code section 55.52(3)). California Civil Code Section 1938(e) provides:

"A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises."

TENANT shall, at TENANTS's sole cost and expense, pay the cost of any expenses relating to compliance with the Americans with Disabilities Act or California counterpart of same with respect to any and all improvements made by TENANT to the Premises during the Term.

Section 15. Arbitration

15.1 Disputes to Be Arbitrated. If any dispute arises between the parties arising out of this lease other than the rental value pursuant to section 2.5(2), the matter shall be resolved by binding arbitration. The arbitrator and arbitration procedures shall be mutually agreed upon by the parties. If the parties cannot agree on the selection of an arbitrator, they shall request the judge of the Humboldt County, California Superior Court with primary responsibility for hearing civil matters, or the presiding judge of that Court, to select an arbitrator.

15.2 Procedure for Arbitration. The arbitrator shall proceed according to the California statutes governing arbitration, and the award of the arbitrator shall have the effect therein provided. The arbitration shall take place in Humboldt County, California, unless the parties stipulate in writing to a different location. Costs of the arbitration shall be shared equally by the parties, but each party shall pay its own attorney fees incurred in connection with the arbitration.

Exhibit A

CHAPTER 6 HEALTH AND WELFARE

Section 2014. Medical Coverage for Employees and Retirees

The District currently provides a comprehensive health benefits insurance plan for eligible employees, retiree, and their dependents. Eligibility is determined by the policies of the District and the requirements of the insurance carrier. The District reserves the right to refuse to pay insurance premiums for any employee who is in unpaid status in excess of approved leave time, but such employees may continue benefit coverage at their own cost. If there are any questions regarding eligibility for any benefit programs, please see the Director of Administrative Services.

It should be noted that the cost of these insurance benefits are a major item of expense to the District, and is largely beyond the control of the District. The fact that such insurance is currently provided at employee current participation levels does not necessarily guarantee that such coverage will be maintained permanently at the current participation cost to the employee. The District reserves the right to modify the insurance benefits package, subject to meet and confer requirements as to those employees represented by a union or collective bargaining unit.

The District and eligible employees or eligible retirees shall contribute for each employee's or retiree's health care plan the following sums of money to pay the cost of enrollment, including the enrollment of eligible dependents (as defined by CalPERS), plus administrative fees and contingency reserve fund assessments, in a health benefits plan or plans provided by the District, as hereinafter set forth.

CURRENT ELIGIBLE EMPLOYEES

Beginning on the effective date of the new CalPERS coverage (which is projected to be January 1, 2024), the employee's contribution shall be 15% of the Premium and the District will pay the remaining 85% of the Premium. The "Premium" shall be the average of the total monthly premium of the CalPERS Gold and the CalPERS Platinum (or equivalent plans if those plans are no longer offered) for the employee and any participating dependents. The Employee may choose any alternate plan if offered by CalPERS. If the plan selected by the employee costs less than the District's portion of the Premium, then the District shall retain the difference without further compensation to the employee. The employee's portion of the Premium shall be deducted from his or her compensation.

CURRENT MEMBERS OF THE BOARD OF COMMISSIONERS

Current Members of the Board of Commissioners shall be eligible for single person health benefits for themselves only in accordance with CalPERS program at the same contribution level offered to full time employees (above). Current Board Members may elect to pay 100% of the costs for eligible family or dependent coverage during their term

in office. Board members are not able to continue to receive health benefits after their term in office expires.

CURRENT AND FUTURE RETIREES HIRED ON OR AFTER JULY 2, 2010

Employees hired on or after July 2, 2010, who have worked full time for the District a minimum of five (5) years and have reached a minimum age of 55 years old, and who otherwise qualify as a retiree under the District's CalPERS retirement program and who have retired or who retire from the District shall be entitled to District paid health insurance coverage up to a maximum of the PEMHCA Minimum per month, plus administrative fees and Contingency Reserve Fund assessments, as determined by CalPERS annually. Participation in and contributions towards the retiree program is determined by CalPERS.

OPTING OUT OF HEALTH INSURANCE

An employee may voluntarily opt out of the District's medical coverage due to having other non-District coverage, Employees who voluntarily opt out shall receive four hundred dollars (\$400) per month as an opt out payment (subject to regular withholdings). Board members and retirees are not eligible for the opt out payment. In order to be eligible to receive the opt-out payment, the employee must provide annual proof (as determined by the District) of other medical coverage, and sign an agreement holding the District harmless. If at any time during this contract, the District's health plan(s) changes or limits participation requirements or prohibits an opt-out payment, or such payment otherwise negatively impacts the District directly or its participation in the Plan(s), such payment shall be discontinued at that time. Discontinuance of such payment shall not be required to be offset or substituted by the District with any other pay or benefit.
