**HUMBOLDT BAY HARBOR, RECREATION, AND CONSERVATION DISTRICT
NOTICE OF APPLICATION**

NOTICE IS HEREBY GIVEN that Chevron USA applied for a Harbor District permit for Chevron Dock Repair Project (Permit 2024-03). This notice is being given consistent with District Ordinances and the Harbors and Navigation Code. Staff will follow standard procedures to review and evaluate the project. Following that analysis, the permit will go before the Board for a decision for or against approval.

The Chevron Dock Repair Project (Project) consists of repairs and upgrades to the Chevron dock facility in Eureka, CA in accordance MOTEMS (Marine Oil Terminal Engineering & Maintenance Standards). The project consists of three discrete project areas, replacement of piles and pile bracing on the dock causeway, replacement of guide piles and guides at the floating dock, and replacement of the beam at the working platform. Work at Bents 8, 20, 21, 22, and 23 is in eelgrass habitat and includes the removal of five timber piles and two steel piles at the floating dock.

The exact location and nature of the proposed project are on file in the Humboldt Bay Harbor, Recreation and Conservation District office, 601 Startare Drive, Woodley Island Marina, Eureka, CA 95501 and <https://humboltdbay.org/public-notices-announcements-information>. Interested parties are invited to submit in writing any comments or requests for a public hearing relative to the proposed activity to the District office or districtplanner@humboltdbay.org . Written comments should be submitted no later than thirty (30) days from the date of this notice.
